Dear Parents & Student(s);

We are proud and excited to be able to now offer you another method of payment using payforit.net. You will now be able to make advance payments via electronic checks (ACH). One of the great **benefits of using ACH is that it has a flat fee of \$1.25 per transaction.** You can still make payments using a credit/debit card. Credit/Debit card transactions have an Internet Convenience Fee of %5.75 charged per transaction.

**To use ACH you need to set your Default Payment Method to ACH. If you would like to change this to your Credit or Debit Card you will have to set your Default Payment Method to your credit card. You Cannot change the method of payment at the payment transaction screen, this must be set in your account settings prior to making a payment.**

ARAMARK is the contracted cafeteria provider for the Archdiocese of Philadelphia. Please refer all questions regarding [www.payforit.net](http://www.payforit.net) to the ARAMARK Cafeteria Supervisor of your school. The school office staff will not be able to accept or refund monies to students; this can only be done through the ARAMARK supervisor on staff. Balances for returning students will be carried over to the next school year. We highly recommend that you monitor the account balance as the school year comes to a close, to minimize the amount of money that is carried over. Monies may be transferred to a siblings account, or if your child transfers to another Archdiocesan High School.

Sincerely,

Paul Paetow  
General Manager- **ARAMARK**
