

IMPORTANT PLEASE READ

February 11, 2009

Dear Parents & Student(s);

We are proud and excited to be able to now offer you a new and improved online pre-payment service for the Cafeteria Program. Starting February 11, 2009 you will be able to go online and make advanced payments at www.payforit.net. In addition to the ability to make advanced payments you will also be able to view & check your student's balance online and also have low balance emails sent to you when your child's balance reaches a certain dollar amount. You can make requests to have an activity report emailed to you that details what your child has purchased within the previous 30 days as well. An Internet Convenience Fee (ICF) of 5.75% will be listed separately for each transaction made using the website. The transaction fee is only charged when use Pay For It (PFI) to make payments to your child's account. There is **NO CHARGE** for using PFI to obtain balance records, request activity reports, or to sign up for the service.

There are four easy steps to follow to begin using Pay For It:

- 1.) Register: A parent or guardian completes the online form at www.payforit.net that includes their credit card information. An email with a validation code is then sent to the address that was entered during the registration process.
- 2.) Validate: The parent or guardian enters the validation code which activates their account.
- 3.) Add Students: Once a registered PayForIt.net member, the parent or guardian can begin to add students to their account and begin funding their meals. To accomplish this, you must know your child's student ID/PIN number, School and Grade. Your child's Student ID/PIN number is provided by the school.
- 4.) Deposit: Using the Make Payment page, you can now deposit money into any or all of your student's accounts. Money deposited before midnight will typically be posted to the students account by the following morning.

You still have the option of sending in a check via mail or by sending in check or money with your children to bring to the cafeteria. Even if you choose not to use the online advanced payment option you can still use www.payforit.net to check the current balance, have low balance letters emailed to you, and/or request activity reports for your student(s) account(s).

At ARAMARK Education, we view the responsible management of waste as a requirement to sustain and restore our natural resources as well as the communities in which we serve. We are committed to minimizing our environmental footprint by fostering a culture that reduces, reuses, and recycles waste. We would like to encourage the parents of our students within the Archdiocese of Philadelphia to take advantage of the low balance email reminders available through payforit.net.

ARAMARK is the contracted cafeteria provider for the Archdiocese of Philadelphia. Please refer all questions regarding the QSP register system and/or www.payforit.net to the ARAMARK Cafeteria Supervisor of your school. *We require at least 30 days notice for refunds of monies on account if your student should have to leave the school and/or is graduating.* Accounts must have a minimum balance of \$10.00 in order to be refunded. The school office staff will not be able to accept or refund monies to students; this can only be done through the ARAMARK supervisor on staff. Balances for returning students will be carried over to the next school year. We highly recommend that you monitor the account balance as the school year comes to a close, to minimize the amount of money that is carried over.

Sincerely,

Paul Paetow
General Manager- ARAMARK
